

K4PM MRS. ARMITAGE

Drop off will be on the and pick up will be at the glass foyer doors on the north side of the building. Parents may park their cars in a parking spot and walk their child into the building. Children may enter the classroom at 12:15. At 3:15 parents may pick up their child at the same doors (north glass foyer doors). Parents may park and enter the building or drive cars up to the door. Passenger side of car must be closest to the building.

Thank you for your cooperation and patience in providing a safe and efficient procedure for drop off and pick up of our precious little ones.

K4AM MRS. MILLER

Parents may either drop off their children at the main school entrance on the south side or escort them to the gymnasium between 8:00-8:25. At 8:25 the students report to their classroom.

Pick up at 11:30 will be at the main school entrance (south parking lot). Parents will drive into the south parking lot, drive next to the building, and pull up as closely as possible under the canopy. Form a line and pull up as you are able. Your child will be dismissed when you are in front of the door. Parents must park in a parking spot if they are entering the building. **DO NOT** leave your car unattended if you are in line as the line is held up when the cars advance. If you want to enter the building and pick up your child, meet your child in the main school foyer. Please do not go to the classroom as this will slow down the entire classroom dismissal.

Thank you for your cooperation and patience in providing a safe and efficient procedure for drop off and pick up of our precious little ones.

K5PM MRS. MILLER

Parents may drop off children at the north brown side doors by Wee Care or parents may park their cars in a parking spot and walk their children to the classroom. Children may enter the classroom at 12:15.

Student pickup at 3:15 will take place in the south parking lot. Parents may arrive and park in the south parking lot. The lot will be closed at 3:15, and the students will be dismissed. Cars entering after 3:15 will line up in the driveway and wait to be admitted to the lot. There will be no cars moving while students are in the lot. A traffic director will dismiss traffic at approximately 3:20. **For the safety of our students and for courtesy to drivers, no children will be allowed to leave the building even with a parent while the cars are being dismissed.** People walking in the lot hinder the flow of traffic. After the lot is dismissed, the late cars will be allowed to enter the parking lot. **Please do not park your car beside the building. All parked cars must be parked in a parking space.** If everyone follows procedure, the lot can be cleared in a matter of 10-15 minutes.

Thank you for your cooperation and patience in providing a safe and efficient procedure for drop off and pick up of our precious little ones.
